Sir,

Good day!

This pertains to the request of my son, Mark Friedrich M. Fankhauser for the issuance of Survey Authority for Lot 19, Cad 841-D located in Barangay Poblacion, Taytay, Palawan.

One of the requirements is the certification on lot verification whether the area is within alienable and disposable or timberland duly confirmed by the DENR Regional Office. During my visit in your Office, it comes to my knowledge that your Office already sent through electronic mail the request to Regional Office for confirmation of the said certification sometime in December 2020, however, until now there is no response yet.

I think time of wait for the said confirmation has been too long. Kindly facilitate to expedite the said request. Thank you.
