13 April 2022

MS. LORMELYN E. CLAUDIO

Regional Director

Department of Environment and Natural Resources MIMAROPA

1515 L&S Bldg., Roxas Blvd., Ermita, Manila

Attention: **Ms. Fatima G. Grate**
Regional Technical Working Group in Nutrition

Dear **Director Claudio**:

Greetings from National Nutrition Council – MIMAROPA!

The Local Government Unit (LGU) Mobilization strategy of the Philippine Plan of Action for Nutrition (PPAN) identified the Peer Learning Approach as key to strengthen local nutrition governance. The Peer Learning Approach is a package of technical assistance modalities that has three components and one of which is the **Nutrition Shepherd Project**.

The Nutrition Shepherd Project is a platform that involves guiding and mentoring low performing LGUs by a regional nutrition shepherding team to enhance their knowledge and skills on nutrition program management. It is built on one of the key lessons of the Compendium of Actions on Nutrition, where NNC regional offices have a unique role in the mentoring to multiply the LGUs ascending in their work for PPAN.

As we prepare for the implementation of the Nutrition Shepherd Project in the region, we would like to earnestly invite **Ms. Grate** to be part of the Regional Nutrition Shepherd Team (RNST) and join the **face-to-face orientation meeting** which will be held at a venue in DSWD MIMAROPA Field Office on **28 April 2022 (Thursday), 9:00 AM**.

Participants will be oriented in establishing and implementing the project, priming the Regional Nutrition Shepherd Team, as well as skills in persuasion and management of difficult situations.
