**Madam,**

Greetings!

Having received on Friday (08 April 2022) our official copy of the Memorandum from the DENR Secretary finally lifting the moratorium on public land surveys and patent issuance in the entire Province of Palawan, kindly be requested to deny or confirm whether or not part of Lot 6 of Ccs. 04-002297-D was already conveyed by way of donation in favor of the Barangay Government of Port Barton, San Vicente, Palawan. In the affirmative, you will have to see a licensed surveyor for subdivision thereof so as to exclude the portion ceded to.

It being among the considerations necessary in evaluating your request of 07 April 2022 for this Office to facilitate your claim of the subject lot, please guide us along.

As to your desire also to acquire Lot 8 thereof, Article 420 of the Civil Code names roadlots among lands of public dominion and are therefore non-registrable.

Please be guided.

Very truly yours,

  
**PABLO L. CRUZ**
