Dear Sir/Ma'am,

Greetings from ERDB!

We are pleased to provide you with copies of the latest issues of the Research Information Series on Ecosystems (RISE):

1. Volume 33 No. 2 July - December 2021 - *The Five Endemic species of Philippine Ironwoods (Mangkono)*
2. Volume 34 No. 1 January - June 2022 - *Golden-Capped Fruit Bat*

Due to the limited printed copies that we produced, sending this e-copy of our publication is our means of sharing our knowledge products to people, especially with our DENR offices, researchers, and other stakeholders during this pandemic.

The copies are also available online at the ERDB website: <https://erdb.denr.gov.ph/publications/rise/>

We will highly appreciate your acknowledgement for receiving this.

Thank you.

Best regards,

Marilou C. Villones
