Good Day!

The BCnet-Luzon is pleased to invite the DENR MIMAROPA to its 4th Virtual Workshop via Zoom on 22 April 2022 at 2:00 pm PHT. The BCnet's next workshop aims to take an in depth look at seagrass ecosystem services and highlight benthic habitat mapping projects in the Philippines. This activity is in line with the BlueCARES Project's aim of capacitating its stakeholders in the Blue Carbon Strategy thru the Blue Carbon Network (BCnet). Attached is the signed letter of invitation.

Interested members from your office may register thru this link: [bit.ly/BCnetLuzonWorkshop4](https://bit.ly/BCnetLuzonWorkshop4).

We look forward to having you join us. Thank you very much.

Best Regards,

---
