Dear Mr. Panti,

The said powerpoint is the actual accomplishment of the completed foreign assisted project, Low Income Upland Communities Project in Oriental and Occidental Mindoro subject for actual physical validation which will be conducted on April 25-29, 2022 in response to the COA one time cleansing policy. We have previously emailed a communication on this. A initial meeting with the Office of RED with the PENR Officer of Oriental and Occidental Mindoro was conducted last February 17, 2022.

For your information.

Thank you
