MEMORANDUM

FOR/TO : All Regional Executive Directors
All Provincial Environment and Natural Resources Officers
All Community Environment and Natural Resources Officers

FROM : The Director

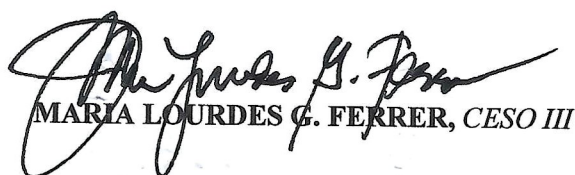

SUBJECT : **CARRYING CAPACITY (CARCAP) MANUAL**

In line with the DENR Memorandum Circular 2021-02 issued on January 19, 2021, the ERDB developed a manual on carrying capacity in ecotourism sites to support tourism and environmental preservation.

This manual provides researchers of DENR and other stakeholders like Local Government Units (LGUs), National Government Agencies, academe, Civil Society Organizations (CSOs), field implementers, and policymakers to have a standard procedure for conducting carrying capacity assessments of tourism destinations.

With this, our bureau is pleased to provide you an e-copy of the CARCAP Manual.

For your information.
