Greetings !

The University of the Philippines School of Statistics, in collaboration with the University of the Philippines Statistical Center Research Foundation, Inc. (UPSCRFI), is pleased to announce the School's online training seminars this June 2022:

Introduction to R and Data Management Using the Tidyverse Ecosystem (15-17 June)

Basic Statistics with Exploratory Data Analysis (22-24 June)

The training seminar fee for each module is Php 5,000. Special rates shall be given to those registering in both modules or to group registrations of at least ten (10) participants.

See attached letter of invitation for details.

Thank you very much.
