Dear Atty. Talabis;

Greetings!

May we humbly follow up your response po, relative to our letter requesting for a copy of various control/tie points of different provinces all over the Philippine, dated February 10, 2022.

This Philippine tie points available in your Bureau will be processed accordingly by our system developers for data conversion and mapping/plotting to the Philippine map using geodetic control points. It will also be a part of the system requirements for our proposed Property Locator System which will be used by our Appraisers and Inspectors for easy identification, verification and validation of properties/ projects subject for end-user financing.

This would greatly help us improve, enhance and hasten our processes in providing our services to our housing loan borrowers and stakeholders.

Should you need clarifications and/or questions po, please feel free to contact Property Valuation Department at telephone number 8422 3289 and look for Engr. Maria Milagrosa T. Bagunu, Supervising Loans and Credit Officer, or email us at mepabros@pagibigfund.gov.ph or mtbagunu@pagibigfund.gov.ph.

We are hoping for your consideration and appropriate action.
