CYCON is a cybersecurity literacy training specially designed for government agencies and officials with the goal of building the cybersecurity readiness condition of the Philippines.

Through the joint initiative of the Cybercrime Investigation and Coordination Center and BlackOps Cybersecurity Consortium Inc, this 11-month bootcamp aims to equip our government agencies with the vital expertise required in fortifying the cybersecurity posture of the Philippines.

Please refer to the attached briefer for the schedule and details. Kindly note that the registration is until today, Wednesday April 6, 2022 at 5 PM. The training is open to all government employees regardless of employment status (JO, Plantilla, Co-Term) with no limit of participants per agency.

**REGISTRATION LINK:** <https://forms.gle/g973pd8k8egwDXGYA>

If interested and once registered, please don't forget to join the Viber Chanel.
