MEMORANDUM

FOR : All Regional Directors

FROM : The Director
Knowledge and Information Systems Service

SUBJECT : HIRING OF GIS OPERATOR IN FIELD OFFICES

This refers to the hiring of GIS Operators in the field offices in 2021, which is intended to support and address the need for additional manpower to perform GIS-related roles and assist in the preparation of layers for the control map. Due to non-takers for the GIS Operator position posted in November to December 2021, some offices were not able to utilize the amount of PhP40,000.00 each office for this purpose.

In this regard, we would like to inform all offices that these said amount have been approved as continuing funds. Offices which have unutilized budget can still use the remaining amount from the Sub Allotment Advise (SAA) to hire GIS Operator.

Please note that this is only limited to the same purpose and must be included in their respective office operational plan within the Fiscal Year 2022. Enclosed is a copy of the SAA for ready reference.

For information.

MARIA ELENA A. MORALLOS MANILA
R.

MEMORANDUM

FOR : **The Undersecretary**
Policy, Planning and International Affairs

The Undersecretary
Undersecretary for Finance, Information Systems and
Climate Change

THRU : **The Assistant Secretary**
Assistant Secretary for Policy, Planning and
Foreign Assisted and Special Projects

FROM : **The OIC - Director**
Policy and Planning Service

SUBJECT : **APPROVAL OF THE FY 2021 WORK AND FINANCIAL PLAN
(WFP) FOR HIRING OF GIS OPERATOR IN THE FIELD OFFICES**

DATE : 10 OCT 2021

This is to endorse, for approval and signature, the attached FY 2021 WFP for the hiring of GIS operators amounting to **PhP 9,360,000.00**.

As stated in the attached justification provided by Director Maria Elena A. Morillos Manila of Knowledge and Information Systems Service, the hiring of GIS operators, aims to support and address the needs of the field offices for the required additional manpower relevant to GIS-related roles particularly technical support for the software and the system. This will also support the processing of existing spatial data already available in the field offices but not yet in map format which greatly contributes in effective planning of the regions.

Based on our review, the WFP is in accordance with needs of the field offices for GIS equipped personnel and funded under Data Management including Systems Development and Maintenance. Hence, we are hereby recommend for its approval.

FOR CONSIDERATION.

MELINDA C. CAPISTRANO

MEMORANDUM

FOR : **The Director**
Policy and Planning Service

FROM : **The Director**
Knowledge and Information Systems Service

SUBJECT : **JUSTIFICATION ON THE REQUEST FOR TRANSFER OF FUNDS FOR THE HIRING OF GIS OPERATOR IN THE DENR FIELD OFFICES**

This refers to your memorandum dated August 9, 2021 with the subject "Comments on the Request for Transfer of Funds for the Hiring of GIS Operator in the DENR Field Offices".

The request for hiring of GIS Operator in the DENR field offices and realignment of funds for Data Management to support this activity intends to address the needs of the field offices for additional manpower who will perform GIS-related roles particularly for the software and backend support for the system. This is in consonance with the increased emphasis on the need for spatial planning and monitoring for evidence-based decision making specially in support to priority plans and programs of the DENR.

The GIS Operators are expected to lessen the burden of existing field personnel and process existing spatial data already available at the field offices but not yet available in map format, particularly for the forestry, protected areas and biodiversity. This include locations of Wildlife Farm Permittee, Wildlife Enforcement Hotspots, DENR Designated WRC and other GIS related activities.

For consideration.

MARIA ELENA A. MORILLOS MANILA

E-mail: web@denr.gov.ph Website: www.denr.gov.ph

JUSTIFICATION

This is to justify the request for the hiring of GIS Operators to support the management and operation of the ArcGIS software in the field offices.

The request intends to address the needs of the field offices for additional manpower who will perform GIS-related roles particularly in the maintenance of the software and backend support for the system. This is in consonance with the increased emphasis on the need for spatial planning and monitoring for evidence-based decision making specially in support to priority plans and programs of the DENR.

The GIS Operators are expected to lessen the burden of existing field personnel and process existing spatial data already available at the field offices but not yet available in map format, particularly for the forestry, protected areas and biodiversity. This include locations of Wildlife Farm Permittee, Wildlife Enforcement Hotspots, DENR Designated WRC and DENR Established WRC, PO resource sites for Biodiversity-Friendly Enterprise (BDFE) to name a few. The hiring of the GIS Operator will utilize savings of from Data Management and will not entail additional allocation.

For consideration.

MARIA ELENA A. MORALLOS MANILA
Director, Knowledge and Information
Systems Service

ATTY. ANALIZA REBUELTA-TEH (CESO II)
Undersecretary
Finance, Information Systems and Climate
Change

Position: **GIS Operator**

Office: Bureau / Regional Office/ PENRO / CENRO

Salary: Php 20,000.00

Scope of Work:

- Manage DENR shapefiles and analyze whether these datasets are projected properly
- Transform the projection spatial datasets to PRS 92 as needed and if necessary.
- Conduct data cleaning and normalize attribute entries based on the standard attributes recommended by the Technical Working Group (TWG) on DENR Control Map
- Re-export and compile printable maps based on the proposed standard symbols, colors and map layout
- Manage and back-up of spatial datasets and statistics.
- Facilitate the submission of datasets to the Central office for updating/consolidation and storage
- Perform other needed GIS analysis as requested by the supervisor or client

Minimum Qualifications:

- College degree, with GIS coursework
- Knowledge on how to operate and use ArcGIS Pro or ArcMap

Desired Qualifications:

- Ability to collect, analyze and summarize spatial data
- Basic knowledge of cartographic design
- Proficient in Microsoft Office software
- Basic Programming Knowledge
- Knowledge in maintaining system - hardware, software and peripherals

Work Experience: None required

sally

10/6 Doreanne.

Here evaluate.

(Signature)

According to budget, utilization of the
amount can be done until March 2022. Even
if the budget is delayed and as long
as the people are hired and funds are
obligated, we can process payment until then.

For consideration. Thank you. *(Signature)*
