Dear DENR MIMAROPA:

May I submit the requirements for application for a gratuitous permit for collection of spiders for our research titled "Neuromodulatory Activity of Spider Venom Fractions". This research is in collaboration with Romblon State University and we intend to collect tarantula species in a location recommended by our RSU collaborators.

Attached are the documentary requirements for this application:

1. Letter of application/intent
2. Research Proposal endorsed by the Dean of the Faculty of Pharmacy and endorsed by the UST Vice Rector for Research
3. Certificate from sampling site

Thank you in advance!

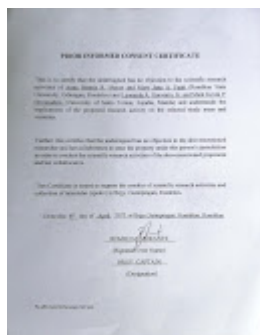

Sincerely,
