Dear **PENRO Cayatoc**,

Greetings from the Tourism Infrastructure and Enterprise Zone Authority (TIEZA)!

In line with the discussion during TIEZA's online consultative meeting with the Department of Environment and Natural Resources (DENR) on 11 July 2022, we respectfully request the CENRO and/or PENRO to conduct an orientation for the landowners in San Vicente Flagship TEZ pertaining to the following:

1. Lifting of titling moratorium in the entire Province of Palawan
 - Background, salient features, and updates
 - Related issuances (if any)
 - Who will benefit from the lifting of the titling moratorium?
 - How to apply for a land title?
2. Tenurial instruments available for occupants of forestland/timberland and Protected Area
 - Who are qualified to apply for a tenurial instrument?
 - How to apply for a tenurial instrument?

We propose to conduct the orientation on **16 August 2022, 1:00 P.M.** at the **Municipal Gymnasium in Brgy. Poblacion, San Vicente, Palawan** or at a date of your preference. Considering that the aforementioned topics are vital for the Municipality's economic development and would greatly benefit the locals who have waited so long for their lands to be titled, we intend to invite all interested residents or landowners from the ten (10) barangays of San Vicente. Upon receipt of your favorable response to our request, we will immediately disseminate the information pertaining to the event.

Should you have any questions or queries, your staff may contact us through our hotline numbers at 09108304148 and 09751171317 or send us an email at sanvicente.tez.tamd@tieza.gov.ph.

Thank you and we look forward to continuing our partnership with you in working for the country's sustainable tourism.

Sincerely,

HERNANDO A. ENAL
Manager, TEZ Assistance and Monitoring Department
