Dear Dir. Claudio:

The Philippine Statistics Authority (PSA) will conduct the 15th National Convention on Statistics (NCS) in October 2022 with the theme "Boosting the Country's Recovery with Informed Decisions, Better Policies."

The triennial conduct of the NCS aims to provide forum for exchanging ideas and experiences in the field of statistics and for discussing recent statistical development and prevailing issues and problems of the Philippine Statistical System (PSS), and elicit the cooperation and support of statisticians and professionals in related fields from the government, academe, and private sector towards a more responsive statistical system.

It is with pleasure that the PSA invites you and your staff to the 15th NCS on **03 to 05 October 2022** at the Crowne Plaza Manila Galleria, Ortigas Avenue corner Asian Development Bank Avenue, Quezon City. Your participation will greatly contribute in the appreciation of statistics as an aid for business research and analysis, and indispensable tool for government policy- and decision-making.

Attached are the press release and bulletin no. 2 for your reference. Should you need any clarification, you may contact us at telephone numbers (043) 286-7491, (043) 470-0598, 0929-236-2711 or through email at psamimaropa@yahoo.com cc: statisticsr4b@yahoo.com.

Thank you very much.

Truly yours,

LENI R. RIOFLORIDO

Regional Director

PSA MIMAROPA
