Dear Sirs/Ma'm,

This pertains to the ongoing Special Project entitled: Assessment of Coastal and Marine Initiatives in the Philippines, being implemented in collaboration with the Partnerships in Environmental Management for the Seas of East Asia Resource Facility (PRF).

In relation to this, a field validation surveys/interviews will be conducted with the various project stakeholders (DENR, PO/ community members, LGUs, OGAs, academe, etc.) involved in the implementation, supervision and management of completed coastal and marine (C&M) projects implemented within your area of jurisdiction. The activities will be undertaken through key informant interviews (KIIs) and focus group discussions (FGDs) which are scheduled on the week of **September 26-30, 2022**.

Please see attached *advance copy* of the memorandum from Usec Leones of Policy, Planning and International Affairs (PPIA) for your reference and guidance .

Thank you for your kind support and cooperation.
