FROM : Cristina J. Sabangan

SUBJECT: REQUEST OF FORESTER I CRISTINA J. SABANGAN FOR
EXTENSION OF WORK REASSIGNMENT AT DENR
CALABARZON

DATE: 17 AUGUST 2022

This has reference to the memorandum dated July 15, 2022 of the Regional Executive Director, Lormelyn E. Claudio, CESO IV, and was received by the undersigned on August 16, 2022, on the above cited subject.

I understand your concern, however, In light of these facts, I humbly request for reconsideration about my request. Since the beginning of the pandemic bolstered by the deteriorating health of my mother and other personal battles, my life has been confronted by unexpected turns of events. For three weeks now, I've been accompanying my mother to the hospital due to prevailing health conditions. Further, both my mother and my 4 year old son are unvaccinated by COVID 19 which necessitates me to stay and look after their welfare given the fears of the pandemic.

In this regard, I regret to inform that the undersigned cannot return yet to my original place of assignment and hope that my request be reconsidered. Attached herewith are the recent diagnosis of my mother for your reference.

Rest assured that I will be extending my work and fulfilling my duties as an ADR officer in the attainment of the target of CENR Office of Coron. Please be informed that for the past year that I am reporting at the Regional Office of CALABARZON the undersigned is still actively helping my mother unit particularly with issues pertaining to Land Claims and Conflict and other matters in coordination with the concerned CENRO personnel.

For information and consideration.
