MEMORANDUM

FOR : The Regional Executive Director
DENR MIMAROPA Region

FROM : The Provincial Environment and
Natural Resources Officer

SUBJECT : **SUBMISSION OF REPORT ON THE PPCWD 46TH
ANNIVERSARY AND TREE PLANTING (RIVERBANK
BIOFENCING) ACTIVITY AT BGY. SAN RAFAEL,
PUERTO PRINCESA CITY, PALAWAN**

Respectfully forwarded is the report of the IEC Officer dated August 17, 2022 with enclosures, in observance of the celebration of ***PPCWD 46th Anniversary and Tree Planting (Riverbank Biofencing) Activity*** held on August 13, 2022, at Sitio Tagaud, Irawan Watershed, Puerto Princesa City, Palawan.

The said tree planting activity was attended by seventeen (17) personnel from DENR-PENRO, Palawan composed of twelve (12) women and five (5) male personnel. The event was also actively participated by personnel from CENRO Puerto Princesa, Development Bank of the Philippines, Bureau of Jail Management and Penology, Philippine National Police, Palawan MMG Cooperative Hospital, City ENRO and other conservation organizations.

A total of six hundred forty-seven (647) seedlings of Bamboo species (Bayog, Tiring) were planted on 1, 941 sq.m. total area. Other activities such as zumba, games and band performance were also done during the said activity.

Attached is the photo documentation and attendance sheet of the said activities

For information and record.

MEMORANDUM

FOR : The Provincial Environment and Natural Resources Officer

FROM : The Information, Education and Communication (IEC) Officer

SUBJECT : **SUBMISSION OF REPORT ON THE PPCWD 46TH ANNIVERSARY AND TREE PLANTING (RIVERBANK BIOFENCING) ACTIVITY AT BGY. SAN RAFAEL, PUERTO PRINCESA CITY, PALAWAN**

A Tree Planting (Riverbank Biofencing) Activity in celebration of *Puerto Princesa City Water District 46th Anniversary* was held on August 13, 2022 at Sitio Tagaud, Irawan Watershed, Puerto Princesa City, Palawan.

The said tree planting activity was attended by seventeen (17) personnel from DENR-PENRO, Palawan composed of twelve (12) women and five (5) male personnel. The event was also actively participated by personnel from CENRO Puerto Princesa, Development Bank of the Philippines, Bureau of Jail Management and Penology, Philippine National Police, Palawan MMG Cooperative Hospital, City ENRO and other conservation organizations.

According to the PPCWD personnel, bamboo was one of the best plants to use for soil stability, prevention of soil erosion, perfect for protecting a riverbank, and is mostly drought tolerant that can survive the lack of water. This tree planting activity was centered on riverbank biofencing and is also a part of the rehabilitation and conservation efforts to ensure the continuity and sustainability of watershed resources.

A total of six hundred forty-seven (647) seedlings of Bamboo species (Bayog, Tiring) were planted on 1, 941 sq.m. total area. Other activities such as zumba, games and band performance were also done during the said activity.

Attached is the photo documentation and attendance sheet of the said activities.

For information and record.
