Title: Request for an appointment.

Dear Ms. Claudio:

Greetings of peace.

I am representing Sulubaaï Environmental Foundation, Inc. NGO based in Shark Fin Bay, Taytay, Palawan. May I please request for an appointment at your office in Manila?

The agenda of this meeting would be:

- to report on the activities of Sulubaaï Environmental Foundation Inc.
- to present events in preparation to celebrate the 75th anniversary of the France-Philippine partnership.
- to review the progress of our FlagT application.

You may schedule this appointment on August 18th or 19th, so I could be accompanied by Joie Matiliano, Municipal Tourism Officer in Taytay. Indeed, we will be participating together to the "Phidex" event organized by the DOT services on these dates in Manila. I remain available for any other dates that you may suggest.

Regarding the 75th anniversary of the partnership France-Philippines, the French Embassy wishes to organize with the new government of Manila an event on Pangatalan Island later in 2022, in order to launch of our new program financed by the French government and the Foundation Prince Albert 2 of Monaco. This program, which I presented last June at the international conference of the United Nations "2022 UN Ocean", is supported and recognized by the PCSD Council and the UNESCO MaB Palawan Reserve Biosphere.

You may contact myself thru phone 0999-198-4125 or email tardieu2@gmail.com for further clarifications regarding this matter. Looking forward for your positive response. Thank you!

Respectfully,
