Dear **Director Claudio**:

Philippine Multisectoral Nutrition Project is a World Bank - International Bank for Reconstruction and Development-funded project which aims to increase the simultaneous utilization of a package of nutrition-specific and nutrition-sensitive interventions and improve key behaviors and practices known to reduce stunting in target LGUs.

Part of the project's investments shall be supporting day-to-day implementation, coordination and cooperation, communication, procurement, financial management, safeguards management, and monitoring and evaluation of the project. As such, the respective Regional Offices of the DOH, NNC and DSWD are mobilized to implement and coordinate technical assistance to the Project LGUs (Occidental Mindoro and Romblon) in line with the directions, policies and guidelines of their respective national offices.
