Good day!

This is to extend our gratitude for the cooperation given by your representatives to the recently concluded first part of our Webinar Series on Ambitious City Promises (ACP), under the **Harnessing Cities' Share in the Implementation of the Environment and Natural Resources Component of the Philippines' Nationally Determined Contribution**. Hopefully, your team will be able to apply the knowledge learned. Another activity in the same program is the development of **The National Urban Green Spaces Action Plan 2023-2030**. The NUGSAP aims to develop a clear plan and approach on how to implement Urban Green Spaces (UGS) in the country. This incorporates the setting down of the final priorities of the strategy; preparing the urban green spaces strategic map; and defining the ways and means to implement the priorities and goals. It also provides an opportunity to reflect on the UGS framework and clarifies objectives to set forth programs, plans, and activities to downscale and implement UGS. It builds on consensus and creates shared responsibility among key stakeholders with a concept note attached as [Annex 2](#).

In view thereof, and as announced during the last webinar series of ACP, we will be conducting a **Learning Collaboration Hub** to present the current situation, initiatives, and development on UGS and formulate the National Action Plan. The said activity will be held virtually using the Zoom Platform on **September 7, 16, 23, and 28, 2022, from 9 am to 12 noon**. Henceforth, this Office invites you, with your authorized representatives (for continuity, we prefer those who attended the first webinar series as they will work with your respective city during action planning). Your office may confirm their participation by registering through the links provided per webinar session in Annex 1.

For any questions or clarifications, you may coordinate with Project Associate, **Ms. Khristine Hope Porciuncula** (khporciuncula@gmail.com) or the DENR CCS through **Ms. Joan Frances Flores** (jfflores@denr.gov.ph) and **Mr. Ronnel Andrew Noprada** (ramnoprada@denr.gov.ph) or through our office landline at 8928-1194 and email address ccs@denr.gov.ph.

We are hoping for your positive response regarding this matter. Thank you for your usual support and cooperation.

--
