Greetings!

The Office of the Assistant Secretary for International Relations (OASIR-DILG) would like to thank you for giving time in reading this message.

Currently, DILG is in the process of planning a community empowerment and governance reinforcement program, "Bayaning Adbokasiya, Bayaning Aksiyon", for the Municipality of Kalayaan, Palawan. The program requires the convergence of different government agencies.

With the above mentioned program, OASIR would like to ask for the Regional Director's phone number (RD-MIMAROPA) as the Assistant Secretary for International Relations (ASIR), Ms. Lilian De Leon, wants to have an initial discussion before setting an overall meeting for the Kalayaan Project. As for Assistant Secretary De Leon, you may contact her through this number, 09479977417, or through her Assistant, Graziel Latiza, 09272007667. We prefer the sending of the RD's cellphone number to this email address and we will gladly contact him/her.

Thank you very much!

GRAZIEL ANN RUTH LATIZA
