MEMORANDUM FOR THE SECRETARY

THRU : The Undersecretary for Policy, Planning and International Affairs
The Undersecretary for Legal, Administration, Human Resources and
Legislative Affairs
The Undersecretary for Field Operations-Luzon, Visayas and Environment

FROM : The Director

SUBJECT : **ENDORSEMENT OF DRAFT PRESIDENTIAL PROCLAMATION
RE: REPEALING PROCLAMATION NO. 663, SERIES OF 2013,
AND TRANSFERRING THE ADMINISTRATION OF BUSUANGA
PASTURE RESERVE TO THE MIMAROPA REGIONAL OFFICE
OF THE DEPARTMENT OF ENVIRONMENT AND NATURAL
RESOURCES (DENR)**

DATE : DEC 19 2022

This pertains to the draft Presidential Proclamation re: Repealing Proclamation No. 663, Series of 2013, and Transferring the Administration of Busuanga Pasture Reserve (BPR) to the MIMAROPA Regional Office of the Department of Environment and Natural Resources (DENR).

Previously, the said draft proclamation was already concurred by the concerned DENR Undersecretaries and forwarded to the Office of the DENR Secretary. However, due to changes in administration, then Acting DENR Secretary Jim Sampulna was not able to sign the indorsement Memorandum for the President and the DENR has not able to forward the same to the Office of the President. Thereafter, this Office revised and improved the initial submission by including the Technical Description adopted for BPR based on the result of ground verification conducted in 2015. Hence, we are respectfully resubmitting the draft Presidential Proclamation.

The said draft proclamation aims to repeal Presidential Proclamation No. 663, Series of 2013, entitled, "Repealing Proclamation No. 2057 and Transferring the Administration of Busuanga Pasture Reserve to the Forest Management Bureau of the DENR."

A. Background

In 2013, Presidential Proclamation No. 663 was promulgated by the then President, Benigno S. Aquino, III. Under the said Proclamation, the Forest Management Bureau (FMB) shall have jurisdiction over the administration, protection and management of the pasture lands. To effectively manage the area, the Bureau, as the administrator, has created the BPR Management Office (BPRMO) stationed in the CENRO Calamianes Islands. The said Office has been responsible for the field monitoring of projects/activities, LAWIN patrolling, and investigation of unlawful activities within the area, among others.

Although the FMB was the administrator of the area, its functions are still limited, especially in: 1) filing, litigation and prosecution of cases against violators of environmental laws, rules, and regulations within BPR; and 2) facilitating the review and evaluation of applications for permits, and tenure instruments. Hence, this Bureau endeavors to address these identified gaps in the existing Presidential Proclamation through this policy initiative. The proposed Presidential Proclamation will help in efficient and strategic management of the BPR since the DENR MIMAROPA has the line functions and powers to perform the above-mentioned limited functions of FMB, and has jurisdiction over CENRO Calamianes Islands.

B. Salient Features

Hereunder are the salient provisions of the proposed presidential proclamation:

1. Provides the exact area coverage and technical description adopted for BPR based on the actual ground survey verification conducted by FMB in coordination with CENRO Calamianes Islands;
2. Provides assumption of management, administration, protection and supervision of the Busuanga Pasture Reserve to the DENR MIMAROPA;
3. Integrates the functions of the BPRMO to the CENRO Calamianes Island; and
4. Provides more efficient and strategic management of BPR since the DENR MIMAROPA has the line functions and has jurisdiction over CENRO Calamianes Islands, where the BPR is located.

C. Action taken

The draft presidential proclamation was deliberated in the Policy Review Committee (PRC) of the FMB for final endorsement to the Secretary. Likewise, the draft presidential proclamation was presented to and concurred by the DENR MIMAROPA and DENR Legal Affairs Service. DENR MIMAROPA posed no objections to the transfer of the administration of BPR to their Office.

D. Action Requested

The approval of the draft presidential proclamation will facilitate the strategic management of the BPR, hence, it is respectfully recommended for the Secretary's consideration and approval.

Enclosed in this Memorandum is the above-mentioned draft presidential proclamation and memorandum for the President, for your ready reference.

FOR YOUR INFORMATION AND CONSIDERATION, PLEASE.
