Dear Sir/Madam:

We are respectfully furnishing you with an e-copy of the 2022 TRNP Ecosystem Research and Monitoring Report, which consists of the following studies:

1. Reef fish
2. Reef Benthos
3. Coral Recruitment
4. Seabirds
5. Water Quality

We thank you for your assistance in completing the studies and the report. The fish, benthos, coral recruits, and water quality monitoring were co-funded with Coffee Bean & Tea Leaf (Jimenez Group of Companies), and Metro Pacific Investment Foundation. The hard copies of these reports were sent to DENR-PENRO Palawan.

Very sincerely yours,

ANGELIQUE M. SONGCO
Protected Area Superintendent
