Good morning!

It is to help map out population per barangay in a map for the purpose of helping retailers serve more barangays.

Thank you for your kind assistance!

Hello,

I'm Jeremaya from iRipple, Inc; a leading retail solutions provider for smart businesses in the Philippines and the SouthEast Asian region.

I sent a message through your messenger account and was directed to send an email instead. May I humbly ask and request if you could provide us a list of barangays with their respective coordinates? This will definitely be a big help to us.

Hope to hear from you soon. Thank you very much!

Best regards,
