Hello! I would like to request cadastral data on all provinces and NCR cities and municipalities for the years 2005-2015. If the information is unavailable from 2005, I'd appreciate information starting from the earliest year possible!

The data I'd like would be:

- Number of approved lots in the cadastre per province and NCR city/municipality
- Area (in ha.) of approved surveyed land in the cadastre per province and NCR city/municipality

Thank you so much!
