Greetings from the National Nutrition Council – MIMAROPA!

2. Discussion of 2021 Accomplishments
3. Plans, Projects, and Activities (PPAs) of NNC for 2022
4. Updates from different agencies re: PPAs related to NSIP
5. Other concern/s

In line with these, we would like to invite **you or any representative** from your agency to attend the said meeting to further strengthen the implementation of National Salt Iodization Program (NSIP) in the MIMAROPA region. Also, we would like to request for a brief presentation with regards to your accomplishments and upcoming PPAs related to NSIP.
