This has reference to the submission report on chainsaw registration for database updating.

In order to have access to the matrix uploaded on a google drive, we need the following details:

1. Official email address of the Office; and
2. Office name (Region or PENRO or CENRO).

Thank you!

Dear All,

Greetings from FMB!

This has reference to the recent pronouncement and instruction of DENR Secretary Roy A. Cimatu regarding chainsaw regulations nationwide, as provided for under DENR Administrative Order (DAO) No. 24, series 2003. These guidelines designate the Forest Management Bureau (FMB) as the Secretariat in maintaining chainsaws' database, including registration nationwide.

In this regard, we are providing you a copy of the signed Memorandum of instruction requesting All Regional Offices thru your CENROs and Implementing PENROs to conduct inventory of all registered chainsaws within your respective jurisdiction following the attached prescribed template. We are requesting your Office to access the link provided and encode the list of registered chainsaws from 2012-2021 <<http://bitly.ws/ooDT>>.

Thank you!
