PRESIDENT RODRIGO R. DUTERTE

Malacanan Palace

J. P. Laurel Street, San Miguel

Manila

-  
Attention : The DENR Secretary;

The, DOJ Secretary; and

The DILG Secretary

-  
Dear President Duterte,

-  
We write to, again, recommend/reiterate that we secure the “legal easement along the rivers”, in particular the Boac river in Boac, Marinduque. That is to protect the interest of the government from illegal encroachment/occupancy and to avoid problems in the future.

-  
Hereunder is a picture of the newly constructed Boac river control project which we, in the past, have recommended that a road (w/ bike lane) be constructed along side the flood control dike. We suggest that, while under construction, it be level out to, at least, have a rough road that will prevent any illegal settlement along side the dike.

-

-  
May we also know whose responsibility it would be so that we, the Marinduque Movers, can coordinate with the concerned government agencies.

Thank you for your kind attention.

-  
-  
-  
Very truly yours

-  
For Good Government.
