**NOTES:**

With an overall objective of capacitating the members of the newly created MMT for UBAC to ensure proper monitoring of the company's compliance to applicable laws, a training/orientation will be conducted on February 18, 2021. The specific objectives of the activity are as follows:

1. To give an overview of various laws applicable to mineral processing plants;
2. To appreciate the MMT's role in ensuring that the processing plants are operating in a socially acceptable and environmentally sound manner;
3. To introduce the MMT Manual of Operation (MOO);
4. To commit individual MMT member's adherence to their specific duties and responsibilities and to the norm of ethical standard in MMT monitoring, as contained in the MOO; and
5. To foster camaraderie and teamwork among MMT members.

The said undertaking will be conducted online via Zoom application.

We are looking forward to your active participation and cooperation in this endeavor.

Very truly yours,

**EDWIN M. MOJARES, Ph.D.**
