MEMORANDUM

FOR : The Regional Executive Director
DENR-MIMAROPA Region
1515 L&S Bldg., Roxas Blvd.
Ermita, Manila

FROM : The OIC-Provincial Environment and
Natural Resources Officer

SUBJECT : **CONDUCT OF AUTONOMOUS REEF MONITORING
STRUCTURE (ARMS) MONITORING AT SNAKE ISLAND
NCMCR FOR JANUARY CY 2022**

Forwarded is the memorandum dated February 16, 2022 of Research Assistant Edilita B. Demonguitan of Snake Island NCMCR.

As per report, the ARMS monitoring was not conducted because all watercrafts of Snake Island were completely damaged except from Speedboat which is currently under repair and the Snake Island personnel were busy in clearing and initial inspection and repair of damages caused by typhoon Odette last December 17, 2021.

For information and further instruction.

Respectfully submitted is the report on ARMS monitoring activity in Snake Island – National Coastal and Marine Center for Research.

Please be informed that the scheduled monitoring of ARMS for the month of January 2022 did not happen due to the following reasons:

1. There was no available boat on the scheduled date for ARMS monitoring because all watercrafts were completely damaged by Typhoon Odette last December 17, 2021 except from Speedboat which is currently under repair.
2. The Snake Island personnel were busy in clearing and initial inspection and repair of damages caused by Typhoon Odette.

For your information and consideration.
