Subject: Fwd: NILUTONG Joint inspection of DENR Mimaropa, Ipilan Mining and People of Brooke's Point

February 1, 2022

The **Regional Director**

Mines & Geoscience Bureau - Region IVB

1515 L & S Building, Roxas Boulevard, Ermita, Manila

Sir:

Respectfully referred herein email dated January 20, 2022 from the Director, Presidential Complaint Center (PCC) bearing **Code No. PCC-GDP-01-13-2022-244**, endorsing the email dated January 13, 2022 to the DENR Action Center/Hotline from **Mr. JONATHAN MIANO, Jr.** of Brooke's Pt., Palawan citing alleged biased Joint Inspection Report and other negative comments mentioned against the Regional Office and CENRO Brooke's Point personnel conducting site inspection within Ipilan Mining for appropriate action, consistent with existing laws, rules and regulations.

Kindly inform the complainant directly of action taken in this regard furnishing the PCC, the HEA and this Office for monitoring purposes. Expeditious action is requested in accordance with the provisions of Republic Act No. 11032, otherwise known as the Ease of Doing Business and Efficient Government Service Delivery Act of 2018 as implemented and enforced by the Anti-Red Tape Authority.

For immediate attention, please.

MERLINDA R. MANILA

Head, DENR Action Center/Hotline

Asst. Focal Person, Anti-Corruption

Coordinating Task Force, DENR-PACC

Asst. Focal Person, 8888 Citizens' Complaint Hotline

in concurrent capacity

Subject: NILUTONG Joint inspection of DENR Mimaropa, Ipilan Mining and People of Brooke's Point

Mahal naming Pangulo His Excellency President Rodrigo Roa Duterte,

Lubos po kaming nagpapasalamat sa walang sawang pagtugon ninyo sa aming mga pagsulat. Sapagkat po na nararamdaman namin na niluluto na ng DENR Brooke's Point at DENR Region MIMAROPA ang aming mga reklamo.

Naka attach po dito ang isang recorded na usapan ng isang Ms. Mercidita na taga DENR MIMAROPA pero naging spokesperson na ng minahan at apologist pa ng minahan. (Ang audio po ay nai-record ng isang katutubo sapagkat nararamdaman niya na iba na ang sinasabi ng taga DENR at naging spokesperson na ito ng minahan)

Ang CENRO Brooke's Point ay nagbase lang din sa kathang isip ni Ms. Mercidita na ayon sa kanyang kathang kaisipan na nagkaroon na ng disselting bago pa nag leak ang siltation pond, na samantalang malinaw sa usapan nila sa audio na natural na sasama ang laterite sa ganung klaseng kondisyon ng panahon at nag hihingi pa ng sorry ang taga minahan pati na rin itong is Ms. Mercidita. At itong taga minahan ay biglang nagpapasok ng pag aalok ng proyekto na ano man ang gustohin nila.

Maling-mali ang inasal ni Ms. Mercidita na halatang bayad na..? or may usapan na? or dili kaya ay kaakibat ng minahan at propagandist ng minahan ang DENR MIMAROPA...? at maging ang lokal na DENR ng Brooke's Point..?

Kaya di tuloy mawala sa kaisipan ng mga mamamayan na NAGKABAYARAN NA SILA BAGO PA MAN NAPUNTA DITO ANG MIMAROPA DENR REPRESENTATIVE AT MAGING ANG REPORT NG BROOKE'S POINT CENRO?

Yan ang tumatatak sa isip ng mga tao at katutubong apektado ng pagkalat ng Laterite. Isipin nyo, hanggang sanctuary ng karagatan eh naging maputik na rin? Pati ang dagat na hindi pinapagalaw ng mga katutubo ay maputik na rin?

Ang basakan na maputik ay ngayon ay MALAGKIT na at may halong pula.

Sa tinuran pa ni Ms. Mercidita na ang laterite ay nariyan na sa bundok at naaanod na lang yan pababa kahit walang minahan, eh bakit walang nagrereklamo noon noong wala pa ang minahan at bakit ngayon lang na binungkal na nila ang kabundukan.

Dapat matanggal ang mga taong walang AWA sa kalikasan kumita lang ng salapi mula sa Minahan. Dapat matanggal ang mga taong tumatanggap ng bayad mula sa minahan upang mapagpatuloy lamang ang kanilang maiitim na hangarin.

Tanggalin sa gobyerno at hindi bigyan ng benipisyo kapalit ng pag traydor sa sinumpaang tunkulin at sa Konstitutosyon. para di na pamarisan pa ng mga susunod na henerasyon. Maging ang Chief ng DENR MIMAROPA, Brooke's at si Ms. Mercidita.

Ngayon marami na naman silang mga heavy equipments na akyat panaog at meron pang mga gabing byahe na may kargang lupa at mga bato.

Pati ang Macro Asia ay ganun na rin ang ginagawa, wala na silang pakundangan mag putol ng puno upang gumawa ng bagong kalsada. Meron po ba silang permit to cut trees? at permit ng chainsaws? permit para gumawa ng kalsada nila? may ECC na po ba sila para dito?

Salamat po at sana ay matulungan niyo kami.
