Good day!

Pursuant to RA 10066 or the National Cultural Heritage Act of 2009, the Municipality of Mansalay, known as the "Cradle of Mangyan Culture", created and maintains an inventory of cultural property under its jurisdiction. These data would be useful in the formulation of programs, projects and policies for culture and arts in this municipality.

Sending herewith the attached file/link: [YAMAN NG MANSALAY - CULTURAL MAPPING PROGRAM](#) a compilation of forms of Significant Cultural Property in our community and the VALIDATION SHEET

Should you have any concerns and/or queries, you may send email at mansalaytourism@gmail.com

Thanks and Regards

-
