Dear Sir/Madam:

Greetings.

The U.P. National Center for Transportation Studies (UP NCTS) will be conducting its 2nd webinar in collaboration with the Malaysian Institute of Road Safety Research (MIROS). The objectives of this webinar are: (1) to discuss road incident analyses of two countries, namely the Philippines and Malaysia; and (2) to identify possible interventions that hopefully will lead to a significant reduction of fatalities coming from these incidents.

In line with this, we would like to invite you and your personnel to attend our webinar with the following details:

Webinar:Title: **Asian Road Crash Analysis for Future Vehicle Technology Workshop**Date: **February 24, 2022** (Thursday) from 1:00 PM - 4:30 PM (PHT)Registration link: <https://bit.ly/Webinar2022-002>

This webinar is **free** and open to the public, but online registration is required. The number of slots is five hundred (500) and as such, early registration is suggested.

Attached are the program and rationale of the webinar for your reference.

Should you prefer an alternative viewing platform, the webinar will also be streamed live on UP NCTS Facebook Page.

You may contact the Training Unit via email at upncts.training2@gmail.com for further queries or concerns.

Thank you very much.

Respectfully yours,

Nery Bravo
