Dear **Mr. Del Mundo**,

Greetings!

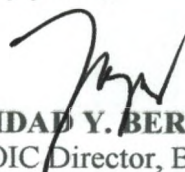

We are providing you a copy of the approved Wildlife Collector's Permit (Renewal) for the collection of 350 heads of Long-tailed Macaque (*Macaca fascicularis*) for commercial breeding purposes.

Please be informed that the renewal of said permit was approved by this Bureau and shall be valid for one (1) year only. During the validity of this permit, the Del Mundo Trading (DMT) is allowed to collect a total of 350 hd of the subject species (325 females & 25 males) in Lanao del Norte.

We look forward to your continuous adherence to the terms and conditions of the aforementioned Wildlife Collector's Permit and Wildlife Farm Permit issued to your company by DENR-MIMAROPA for the commercial breeding of monkeys.

Thank you.

Very truly yours,

  
**NATIVIDAD Y. BERNARDINO**  
OIC Director, BMB

WILDLIFE COLLECTOR'S PERMIT  
No. WCPBMB 2022-01 (RENEWAL)

**WILDLIFE COLLECTOR'S PERMIT**

Pursuant to the provisions of Executive Order No. 192 dated June 10, 1987, Sections 17 and 20 of Republic Act 9147 dated July 30, 2001 and its implementing rules and regulations, DENR Administrative Order No. 29, Series of 1993 and DENR Memorandum Circular No. 95-19, Series of 1995, and in order to support the captive-breeding endeavor of the monkey industry, the DEL MUNDO TRADING, hereinafter referred to as the "Permittee", with office address at 466 Kayumanggi St., Mandaluyong City, is hereby granted the renewal of the Wildlife Collectors Permit to collect the following:

SPECIES	QUANTITY
Long-tailed Macaque	350 hd
( <i>Macaca fascicularis</i> )	(Female = 325 hd)
	(Male = 25 hd)

Subject to the terms and conditions, limitations, and restrictions as herein provided:

1. This WCP is given for a period of one (1) year. During the validity of this permit:
  - 1.1 The permittee shall collect a total of 350 hd of said species (325 females and 25 males) at Brgy. Ilian, Sultan Naga Dimaparo, Lanao del Norte and Brgy. Katipunan, Sapao, Lanao del Norte;  
  
Provided that collection of monkeys shall be subject to prior clearance from the affected communities, i.e. concerned LGUs, recognized Head of the Indigenous People/Cultural Communities (IP/ICC), or Protected Area Management Board (PAMB) in accordance with Section 5.2 of DENR Administrative Order No. 2004-55;
  - 1.2 Simultaneous with the collection activities, undertake population assessment studies in the above-said areas, and as possible, in other probable collection sites with alleged overpopulation of monkeys in coordination with concerned DENR Regional/Field Offices. Results of these studies shall be the basis for allowing quota for future collection of monkeys and for the issuance and/or renewal of WCP; and,
  - 1.3 Submit study results to the Director, BMB.
2. The monkeys collected under this permit shall be used solely as additional breeders and replacement of unproductive, over-aged, and deceased monkey breeders in accordance with DENR Memorandum Circular No. 95-19, Series of 1995 and DENR Administrative Order No. 29 Series of 1993, subject to the following:

- 2.1 Breeder monkeys shall not be allowed for direct export;
  - 2.2 No young, pregnant, or supporting-a-young monkeys shall be collected;
  - 2.3 Collected monkeys shall be strictly quarantined for at least two (2) weeks. They should be negative of/cleared for any communicable diseases by a government licensed veterinarian before transport to the permittee's breeding farm at Puerto Galera, Oriental Mindoro; and,
  - 2.4 The local transport of the monkeys collected under this permit from the collection site to any other area in the Philippines shall be subject to a Local Transport Permit secured from the concerned DENR-Provincial Environment Natural Resource Office (PENRO).
3. The permittee shall submit to the Director, BMB copy furnished the Regional Executive Director of the concerned Region(s), a collection report, including mortalities within thirty (30) days after each collection activity. The report shall indicate the quantity of the species collected, dates and places of collection, names, and addresses of trappers, and such other information as the Director requires;
  4. The permittee shall ensure the safety and proper maintenance of the monkeys in its facilities, observe hygiene and strict quarantine procedure in its operation, and assume full responsibility and accountability over any disease outbreak or epidemic that might arise or originate from its facility;
  5. The permittee shall observe the terms and conditions specified in the Wildlife Farm Permit issued by the DENR-MIMAROPA on 15 February 2022;
  6. The permittee shall submit a quarterly production report to the DENR-BMB and DENR-MIMAROPA. Only those captive-bred progenies may be allowed for trade (export and/or local sales) subject, however, to the inspection by authorized DENR Officer and payment of the required fees. The report should include the transport of sales breeders and bred monkeys;
  7. Unproductive and/or over-aged breeders as certified by BMB may be disposed of through export, local sale, donation to zoos, medical institutions, human health research institutions, and other capable entities, or through euthanasia;
  8. The permittee shall seek prior clearance from the DENR-BMB in case any intent to conduct bioprospecting activity and ensure that such activity shall be undertaken in accordance with existing bioprospecting guidelines and other applicable policies;
  9. The permittee shall pay the corresponding wildlife collection charges amounting to **ONE HUNDRED SEVENTY-FIVE THOUSAND FIVE HUNDRED PESOS (PHP175,500.00)** to the DENR-BMB. The said amount must be paid immediately upon issuance of this permit;
  10. Any fraudulent act or violation of any of the terms and conditions herein set forth shall be a sufficient ground for the cancellation of this permit and to deny succeeding request for a wildlife collector's permit without prejudice to the application of other appropriate legal measures in accordance with RA 9147 and other applicable laws, rules and regulations;

11. This permit is non-transferable and shall be valid and effective for a period of one (1) year from issuance hereof or until Feb. 23, 2023 unless sooner revoked or canceled for non-compliance with and/or violation of the terms and conditions specified in this permit, or for violation of pertinent laws, rules, and regulations. This permit is subject to a review and may be revised or modified as deemed necessary or as warranted by the DENR-BMB. This permit may be renewed for the like period upon satisfactory compliance of the permittee with the terms and conditions in this permit; and,
12. The original copy of this permit shall be surrendered to the DENR-BMB upon expiration.

Issued this 23<sup>rd</sup> day of February, 2022 at Quezon City, Philippines.
