Dear Director Lormelyn E. Claudio,

Warm greetings from SIBOL!

One of the SIBOL's major activities in its second year of implementation is to build the capacity of the partner agencies, especially the key stakeholders and the PA managers. The capacity to develop and maintain the accounts will be built at the agencies that are primarily responsible for generating and consolidating the data. This will lead to the formulation of long-term economic policies and economic incentives that enable sustainable management of natural resources and promote positive environmental behavior among its managers and users.

As such, SIBOL would like to invite the DENR Regional Office of MIMAROPA to attend the face-to-face Orientation-Workshop of Accounting/Valuation Technical Working Groups (TWGs) on Ecosystem Accounting and Ecosystem Services Valuation on March 8 to 9, 2022 in Metro Manila. It would be greatly preferred if the participants are those who attended the online/on-site ES Valuation workshop conducted by SIBOL last June 2 to September 17, 2021. Kindly confirm your attendance by sending the following details on or before **March 1, 2022**.

- Photo of one (1) valid ID
- Photo of completed vaccination card
- Date of birth for flight booking
- Primary email address for flight booking
- Contact number for flight booking

Please find attached herewith the official letter and orientation-workshop programme that further details this invitation.

We look forward to your positive response.

Best regards,

**Leilani Yu**
