Dear Director Claudio:

The Philippine Statistics Authority (PSA) is the agency that generates and maintains the Philippine System of National Accounts (PSNA), at the national and subnational levels. This includes the Gross Regional Domestic Product (GRDP), Gross Regional Domestic Expenditure (GRDE) and Provincial Product Accounts (PPA).

Last year, PSA MIMAROPA started the compilation of PPA as one of the three-pilot regions and release the first ever Gross Provincial Domestic Product (GPDP) of its five provinces and one Highly Urbanized City (HUC).

In line with this, we are requesting for a comparative statistical indicator from 2019 to 2021. Kindly fill-out the attached table of the sectoral hard indicators (Attachment A). Rest assured that these data would be treated with the strictest level of confidentiality.

For any clarification, you may contact us at (043) 286-7491; Globe: 09664089780; Smart: 09292362711; or email to psamimaropa@yahoo.com, cc: statisticsr4b@yahoo.com. We would appreciate if you could send us the worksheet on or before **21 February 2022**.

Thank you very much for support in this undertaking.

Respectfully yours,
Rhoda Sobrepeña
Statistical Operations and Coordination Division Staff
