RESPONSES/ACTIONS TAKEN

- Regional TFBBB was already convened to prepare and plan for the rehabilitation and restoration of the affected areas.
- Established a quick response monitoring center;
- Requested assistance of the electric cooperatives from Luzon to Mindanao to augment efforts in the restoration of power supply in Cebu;
- Cash assistance to selected affected families, thru cash card worth Php 8,000 (with unique QR Code) to purchase basic/household needs, construction materials, and food in accredited stores/business establishments;
- Expanded the enhanced countryside development (ECD) program for the farmers and fisherfolks;
- Met petroleum companies to ensure the supply of fuel and to stabilize the price for Cebu;
- Issued Executive Order No. 2, 2022 Ordering the LGUs to strictly implement the easement requirements, and for DENR Region 7 to demarcate the 20-meter easement zone;
- Met concerned agencies and financing institutions to provide aid thru loans with less interest (2% -3% only with grace period of 2 years).

11 TASK GROUPS

Deployed task groups at the Regional, Provincial and Community Level to assist the LGUs in responding to the challenges arising from the onslaught of "Odette".

Activated
