Dear Sir/Ma'am

The DENR Climate Change Service, led by Usec Anna Teh is preparing a ppt presentation for Sec Cimatu (as Chairperson of CCAM-DRR and TFBBB) to be presented in the Duterte Legacy Forum in May 2022, where accomplishments of the Cabinet Cluster on CCAM-DRR and TFBBB will be highlighted. In this regard, may we request for the photo description (attached) i.e. location and date of photo was taken.

Thank you.
