Dear Director Ferrer,

A HAPPY NEW YEAR OF THE TIGER!

As Valentine's Day is fast approaching, Island Living Channel is preparing a Valentine's TV Special. It would be a great honor if you can be part of our Valentine's Day video.

Please send your pre-recorded Valentine's Day inspirational video with the focus on giving encouragement and hope to Filipinos worldwide, most especially during these most difficult times as our nation is recovering from the COVID pandemic.

Thank you for making us the **Philippine's No. 1 and Largest Lifestyle and Travel Channel and 2021's Asia's Travel Channel of the Year.**

Our country is grateful to have leaders like you. We are here to humbly support. May our good Lord bless you and your family with good health and prosperity.
