Dear Sir and Madam,

Good and pleasant day to all.

This is in reply to the complaint filed by Mr. Elbert Reynoso dated January 24, 2022 emailed to various offices, that accordingly the undersigned violated provisions of RA 7183 "An Act Regulating Devices" and Executive Order 28 "Providing for the Regulation and Control of the Use of Firecrackers and other Pyrotechnic Devices" on 2022 New Year celebration by using Belt of Judas.

Please be informed that as per Philippine National Police list of allowed and prohibited firecrackers published in the article dated December 17, 2021 by Priam Nepomuceno of Philippine News Agency and use along with Baby Rocket, Paper Caps, Sky Rocket (Kwitis), etc. Likewise, the said firecrackers was purchased in a legal source and from legal stores designated by The City Police of Puerto Princesa to align my name and reputation.

With regards to his previous emailed complaint on February 2021, the matter was already answered by the undersigned dated February 18, 2021 thru emails addressed also to different agencies.

To show that the matter has already long been answered, complied and acted. Attached are geotag pictures of various dates and a Certification signed by Barangay Captain Salvador and Barangay Captain Salvador.

To end, I would like to thank Mr. Elbert Reynoso's concern for the environment and hopefully in the future we as good citizens of this country can work together.

Thank You!

RODNEY G. VERIAN
