**MEMORANDUM**

FOR : The Regional Executive Director

Attention: The Chief, Surveys and Mapping Division

THRU : The PENR Officer

FROM : The CENR Officer

**SUBJECT : REQUEST FOR GEOGRAPHIC COORDINATES OF  
BL LOCATION MONUMENTS FOR PLS 232 ROXAS  
(PALAWAN) PUBLIC LANDS SUBDIVISION**

Please be informed that despite having several times furnished the PENR Office with print of the geographic coordinates (copy attached) we have on file of the reference points to which resultant lots of PLS 232 are tied, our requests for LC confirmation keep returning for the same ground of requiring the needed coordinates.

To do away with wasting precious time endorsing more only to get returned, we hereby request for authenticated copy of all reference points within the administrative jurisdiction of this Office namely: PLS 232 (Roxas Public Land Subdivision), PLS 798 (Barbacan Public Land Subdivision); PLS 798, PLS 725-D, PLS 617-D and PLS 606-D (Roxas Public Lands Subdivisions); PLS 530-D (Taytay Public Land Subdivision); Cad. 862-D (Roxas Palawan Cadastre); Cad. 860-D (San Vicente Palawan Cadastre); and PLS 732 (Araceli Public Land Subdivision) copy furnished the PENRO for the latter's perusal.

As many of the claimants have now gotten impatient especially those involving resultant lots of Barbacan Public Land Subdivision, we would appreciate if coordinates of PLS 232 references could be made available soon.

For information, consideration and further instruction.

  
PABLO L. CRUZ
