Dear **Director Mojares**:

Greetings!

The Municipal Government of Araceli has identified potential site for Sanitary Landfill (SLF) Category 1 as required by RA 9003. The identified site that is located at Barangay Tinintinan, was recommended by the Land Acquisition Committee of the LGU.

In view of the above, I am writing your respectable office to request your embedded staff at the CENRO Roxas, Palawan to conduct a geo-environmental assessment of the proposed site for us to processing of documents and clearances required to commence the project.

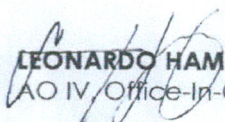

Looking forward for your immediate and favorable response on the matter.

Thank you.

Respectfully yours,
