Dear Sir/Maam,

This is to acknowledge receipt of your email.

Representatives from the heirs already visited the CENRO-Roxas, Palawan last November 16, 2021 and actual site visit and inspection were done on that day. In this regard, I would like to follow up if there is already a recommendation or decision regarding the request/concern I have raised involving Lot 328, PLS 232.

As to the complaint submitted to Anti Red Tape Authority, I am willing to file dismissal of it if favorable and prompt actions were accordingly delivered to us regarding the matter.

Thank you!
