Good day!

We hope everyone is doing well.

We are pleased to share here a copy of the draft DENR-SO and an updated Program of Activities for the Self-paced online training on Public-Private Partnership.

Please note of the changes from our original invitation: All participants will be completing three (3) modules instead of 5. The program will also have a synchronous activity on **February 14** at 1:30 to 3:00 PM dedicated for the brief orientation on the rules and requirements of the training, and **March 1, 2022** at 1:30 to 3:30 PM for additional lecture/s and open forum.

A Certificate of Participation will be issued to participants who complied with the following training requirements:

1. Completion of the three (3) E-Learning Modules;
2. Attendance to the live sessions or those who were able to watch the recorded video; and
3. Submission of the Training Evaluation Form.

We hope to see everyone virtually on the said dates. We will keep you posted of any updates.

Thank you and our kind regards,

National Parks Division

Dear ALL,

We hope this email finds you well. The DENR-BMB through the BioFin Project together with the Public-Private Partnership Center (PPPC) is organizing a two-week e-learning activity on **Public-Private Partnership 101** as part of the Agreement signed in August of 2021.

The e-learning activity will focus on public-private partnerships (PPPs) in the Philippines that contains five (5) modules to be completed within two (2) weeks time. The training is scheduled on **February 14 to 25, 2022** with target participants from the legislated protected areas preferably the **PASus and other interested PAMO staff, CDD staff and concerned Divisions from the BMB and BioFin Project**.

In this regard, may we request the aforementioned target participants from your respective Regions to fill-out the matrix found on this link, <https://bit.ly/PPP101Pax> on or before **February 4, 2022**.

We have attached here the advance copy of the Memorandum Invitation for reference.

You may directly email us or contact the respective Action Officers per Region if you have any questions or concerns.

Thank you very much.

Our warmest regards,

National Parks Division
