Dear all,

According to Rodney my complain is baseless? He may get away with his wrong deeds by your rule, but in morality he fails.

As Sec Roy Cimatu says "Encouraging all Filipino to LIVE A LOW CARBON LIFESTYLE by reducing our waste etc etc"

What happen to Rodney and his wife working in your department, seems ignoring or ignorant on whats the department campaigning? Come on, messed on the road and burning firecracker with heavy si talk, WAKE UP!!! if you want to gain respect. Stop claiming that someone maligning your reputation, you have far way to go stop day-dreaming, instead aligning your deeds so not in contrast with whc have a liitle care with environment. PRACTICED WHAT YOU PREACHED.

Climate change activist, Ms. Greta Gutenberg addressing the UN summit, "Our house in on fire and yet all you think is for more profit and economic growth? You childish, selfish and irresponsible... fo climate change etc etc"

Such ashame and a slapped to the department when such personnel doing entirely opposite isn't it? Intolerant and of conflict of interest.

Now maybe, maybe its up to you officers if you do NOTHING.

I do have still confidence on our bureacracy dont let me think Im loosing hope... prove me wrong.

Hope the culprit will be reprimanded.
