Happy New Year!!!

Dear Madam/Sir:

With reference to the above subject. Please be advised that while our office is still waiting the letter from the PARC Secretariat regarding the renewal of CARP personnel for CY 2022, the regions can already request for the renewal for CARP casuals and Job Order to the office of the REDs using the FY 2022 enacted GAA and PARC ExCom Resolution No. 2014-122-01 as basis for the renewal. We will be sending a Memorandum to all REDs regarding this matter as soon as the DENR received the said letter from the PARC Secretariat.

Related to the FY 2022 enacted GAA particularly for the approved budget under DENR-CARP for FY 2022, the Department's approved budget under DENR-CARP are as follows: 1) **Land Surveys and Distribution**, for IVAS Php 7.924 M (MOOE) and Php40.254M (PS) for a total of Php48.178M, 2) **Program Beneficiaries Development (PBD)**: for CBFM-CARP Php122.688M (MOOE) and Php 47.740M (PS) for a total of Php170.428M. Over all, the total approved budget for PS is Php **87.994M** and Php**130.612M** for MOOE.

If you want to browse and print the enacted GAA on CARP budget, type: DBM General Appropriation Act for CY 2022 (search engine), then on volume I-A of GAA under the Department of Environment and Natural Resources, Office of the Secretary, CARP budget can be found on page 1

Special Provisions item no. 4 then the Regional allocation/breakdown for PS is on pages 47 and 48. Please note that the approved budget for PS already included the required salary increase for the 3rd Tranche (SSL 5).

If you still have some query or clarification regarding the above subject, please feel free to message via messenger GC/text or call us at 9274340/9251181.

For Information and Guidance.

Kindly acknowledge and stay safe.
