FOR : The Regional Executive Director
DENR – MIMAROPA Region

FROM : The Assistant Secretary for Policy, Planning, and Foreign Assisted and
Special Projects, and Director, in concurrent capacity

SUBJECT : **CY 2021 ANNUAL ACCOMPLISHMENT REPORT ON THE
MONITORING OF EXISTING COMMUNITY-BASED FOREST
MANAGEMENT AGREEMENTS (CBFMAs) WITHIN MIMAROPA
REGION**

DATE : **JAN 13 2022**

This pertains to your Memorandum dated 23 December 2021 submitting the annual accomplishment report on the conducted monitoring and assessment of CBFMAs for CY 2021 in your Region.

Based on the review of the submitted report, this Office noted that a total of 66 CBFMAs were monitored and assessed or equivalent to 86.84% of the total annual target of 76 CBFMAs. It is also noted that almost 1/3 of the assessed CBFMAs have no Community Resource Management Framework (CRMF) which is one of the basic requirements after the issuance of the Agreement. Hence, these CBFMAs should be the priority targets for the CRMF formulation.

Further, it is recommended that the Region should submit a Completed Staff Work (CSW) to discuss the analysis or assessment on the conducted activity with regard to POs compliance with existing rules and regulations, progress in terms of area development, organizational development and project implementation, among others. Likewise, identified issues or concerns should be consolidated and have corresponding recommendations or actions to be undertaken to address those concerns.

In this regard, the Region is being requested to consider this Office's recommendations in the succeeding submission of reports for proper review and evaluation. Further, please continue the provision of technical assistance to enhance the CBFM-POs capability particularly on forest management. Furthermore, update the data in the Enhanced Forestry Information System (eFIS) based on the result of the Monitoring and Assessment.

FOR INFORMATION AND CONSIDERATION, PLEASE.
