Dear Madam:

The 48th ANNUAL GEODETIC ENGINEERS OF THE PHILIPPINES REGIONAL DIVISION IV CONVENTION, will be held on March 4, 2022 at NDN Hotel and Events Place, Barangay Aya, Talisay, Batangas with the theme: ***“ADAPTATION and INNOVATION: RISING ABOVE THE CHALLENGES OF THE NEW NORMAL”***.

In connection with this event and in compliance with the Professional Regulation Commission (PRC) Resolution No. 2013-774 dated July 25, 2013, technical sessions of relevant topics will be discussed.

In this regard, we humbly request the presence of our fellow geodetic engineers employed in your office to attend this event.

This is an opportune time to renew camaraderie among fellow geodetic engineers and guests, exchange ideas, expertise and experience in the profession. Most importantly, the event will be the proper forum to raise and resolve issues, and to elect a new set of officers that will steer the organization in the years to come.

Your favorable and prompt response on this invitation will be very much appreciated.

Thank you.

Respectfully,

ENGR. JONALYN E. ALMOROS
President, GEP Regional Division
