

## LIST OF CONTRIBUTIONS OF MEMBERS OF FRIENDS OF TUBBATAHA, INC.

Before Friends of Tubbataha, Inc., was formed, its members have contributed in many ways. Here is the list of some of the ways we supported Tubbataha throughout the years:

1. Providing additional supplies, e.g., food, vitamins, diving accessories, beddings, etc., for rangers;
2. Providing transport for rangers, supplies, and equipment to Tubbataha from Puerto Princesa and vice versa;
3. Providing technical support and advice, e.g., judging contest, advice on moorings, patrol boats, etc.;
4. Producing the first-ever coffee table book on the park and donating the proceeds towards its conservation;
5. Producing the internationally awarded video, Reefs, with general information on Tubbataha;
6. Producing a video on park rules and regulations for tourists;
7. Donating one 150hp and one 25hp Yamaha outboard motor, covered under a Usufruct Agreement;
8. Donating two units of Rainman desalinator for use by marine park rangers (2018 and 2019);
9. Providing PhP1M capital for the development and sale of merchandise;
10. Providing a marine park ranger welfare fund of PhP500K;
11. Organizing and funding a Tubbataha exhibit in the Oceanographic Institute of Monaco;
12. Organizing and funding a Tubbataha exhibit at the Glorietta and donating proceeds to marine park rangers,
13. Helping clarify the institutional standing of TMO through legal support, resulting in the DOJ opinion of 2018;
14. Providing images, free-of-charge, for use in educational and promotional activities of TMO;
15. Offering Tubbataha donors and supporters a chance to experience the park firsthand through free dive trips.
