Dear Mayor,

Greetings!

Lodged before the DENR MIMAROPA Regional Office is the information that Anelyn Dagame, Nestor Espinosa, and an unidentified other each installed fish pens within the 50-hectare fish sanctuary seemingly declared as such by way of Municipal Resolution in November 1997.

Believed to involve part of the Municipal Waters where fishing activities are closely monitored by the Municipal Agriculture Office, the concern is hereby respectfully endorsed for jurisdictional dispatch.

Thank you.

Very truly yours,

For the CENR Officer:
